

A defeated kitsune's cry of sadness rings through the afternoon...

make  
the  
deadline  
!!

We'll  
definitely

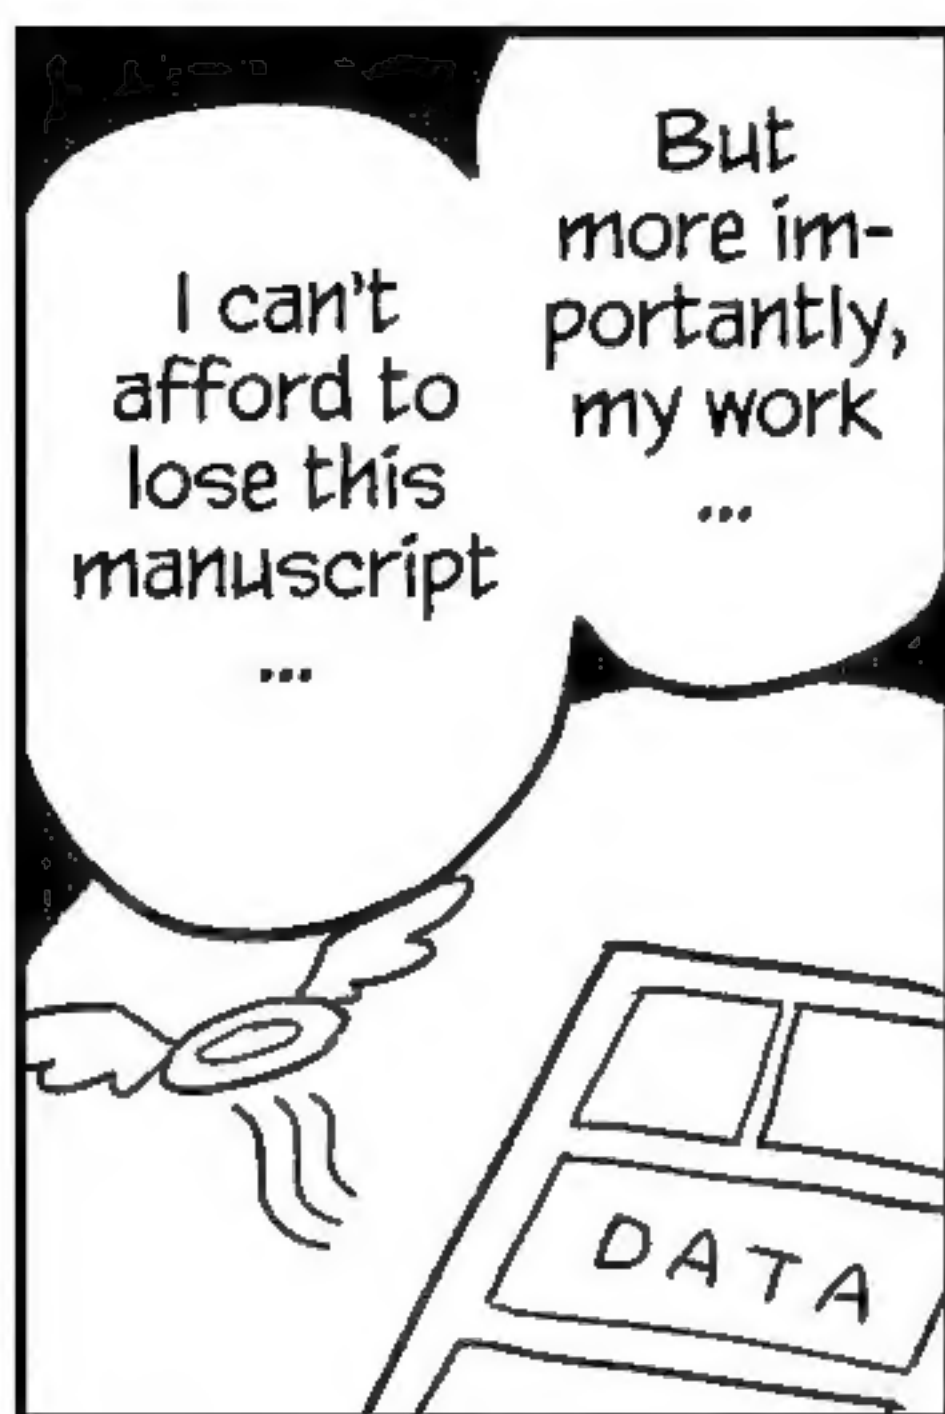

Oh no — ...

What  
am I  
going  
to do  
...?

All the  
drawings  
I was  
working  
on are  
gone...

But  
more im-  
portantly,  
my work  
...

Shiro-  
chan, is  
playing the  
only thing  
you think  
about?

———

My  
game  
data's  
lost too  
...?

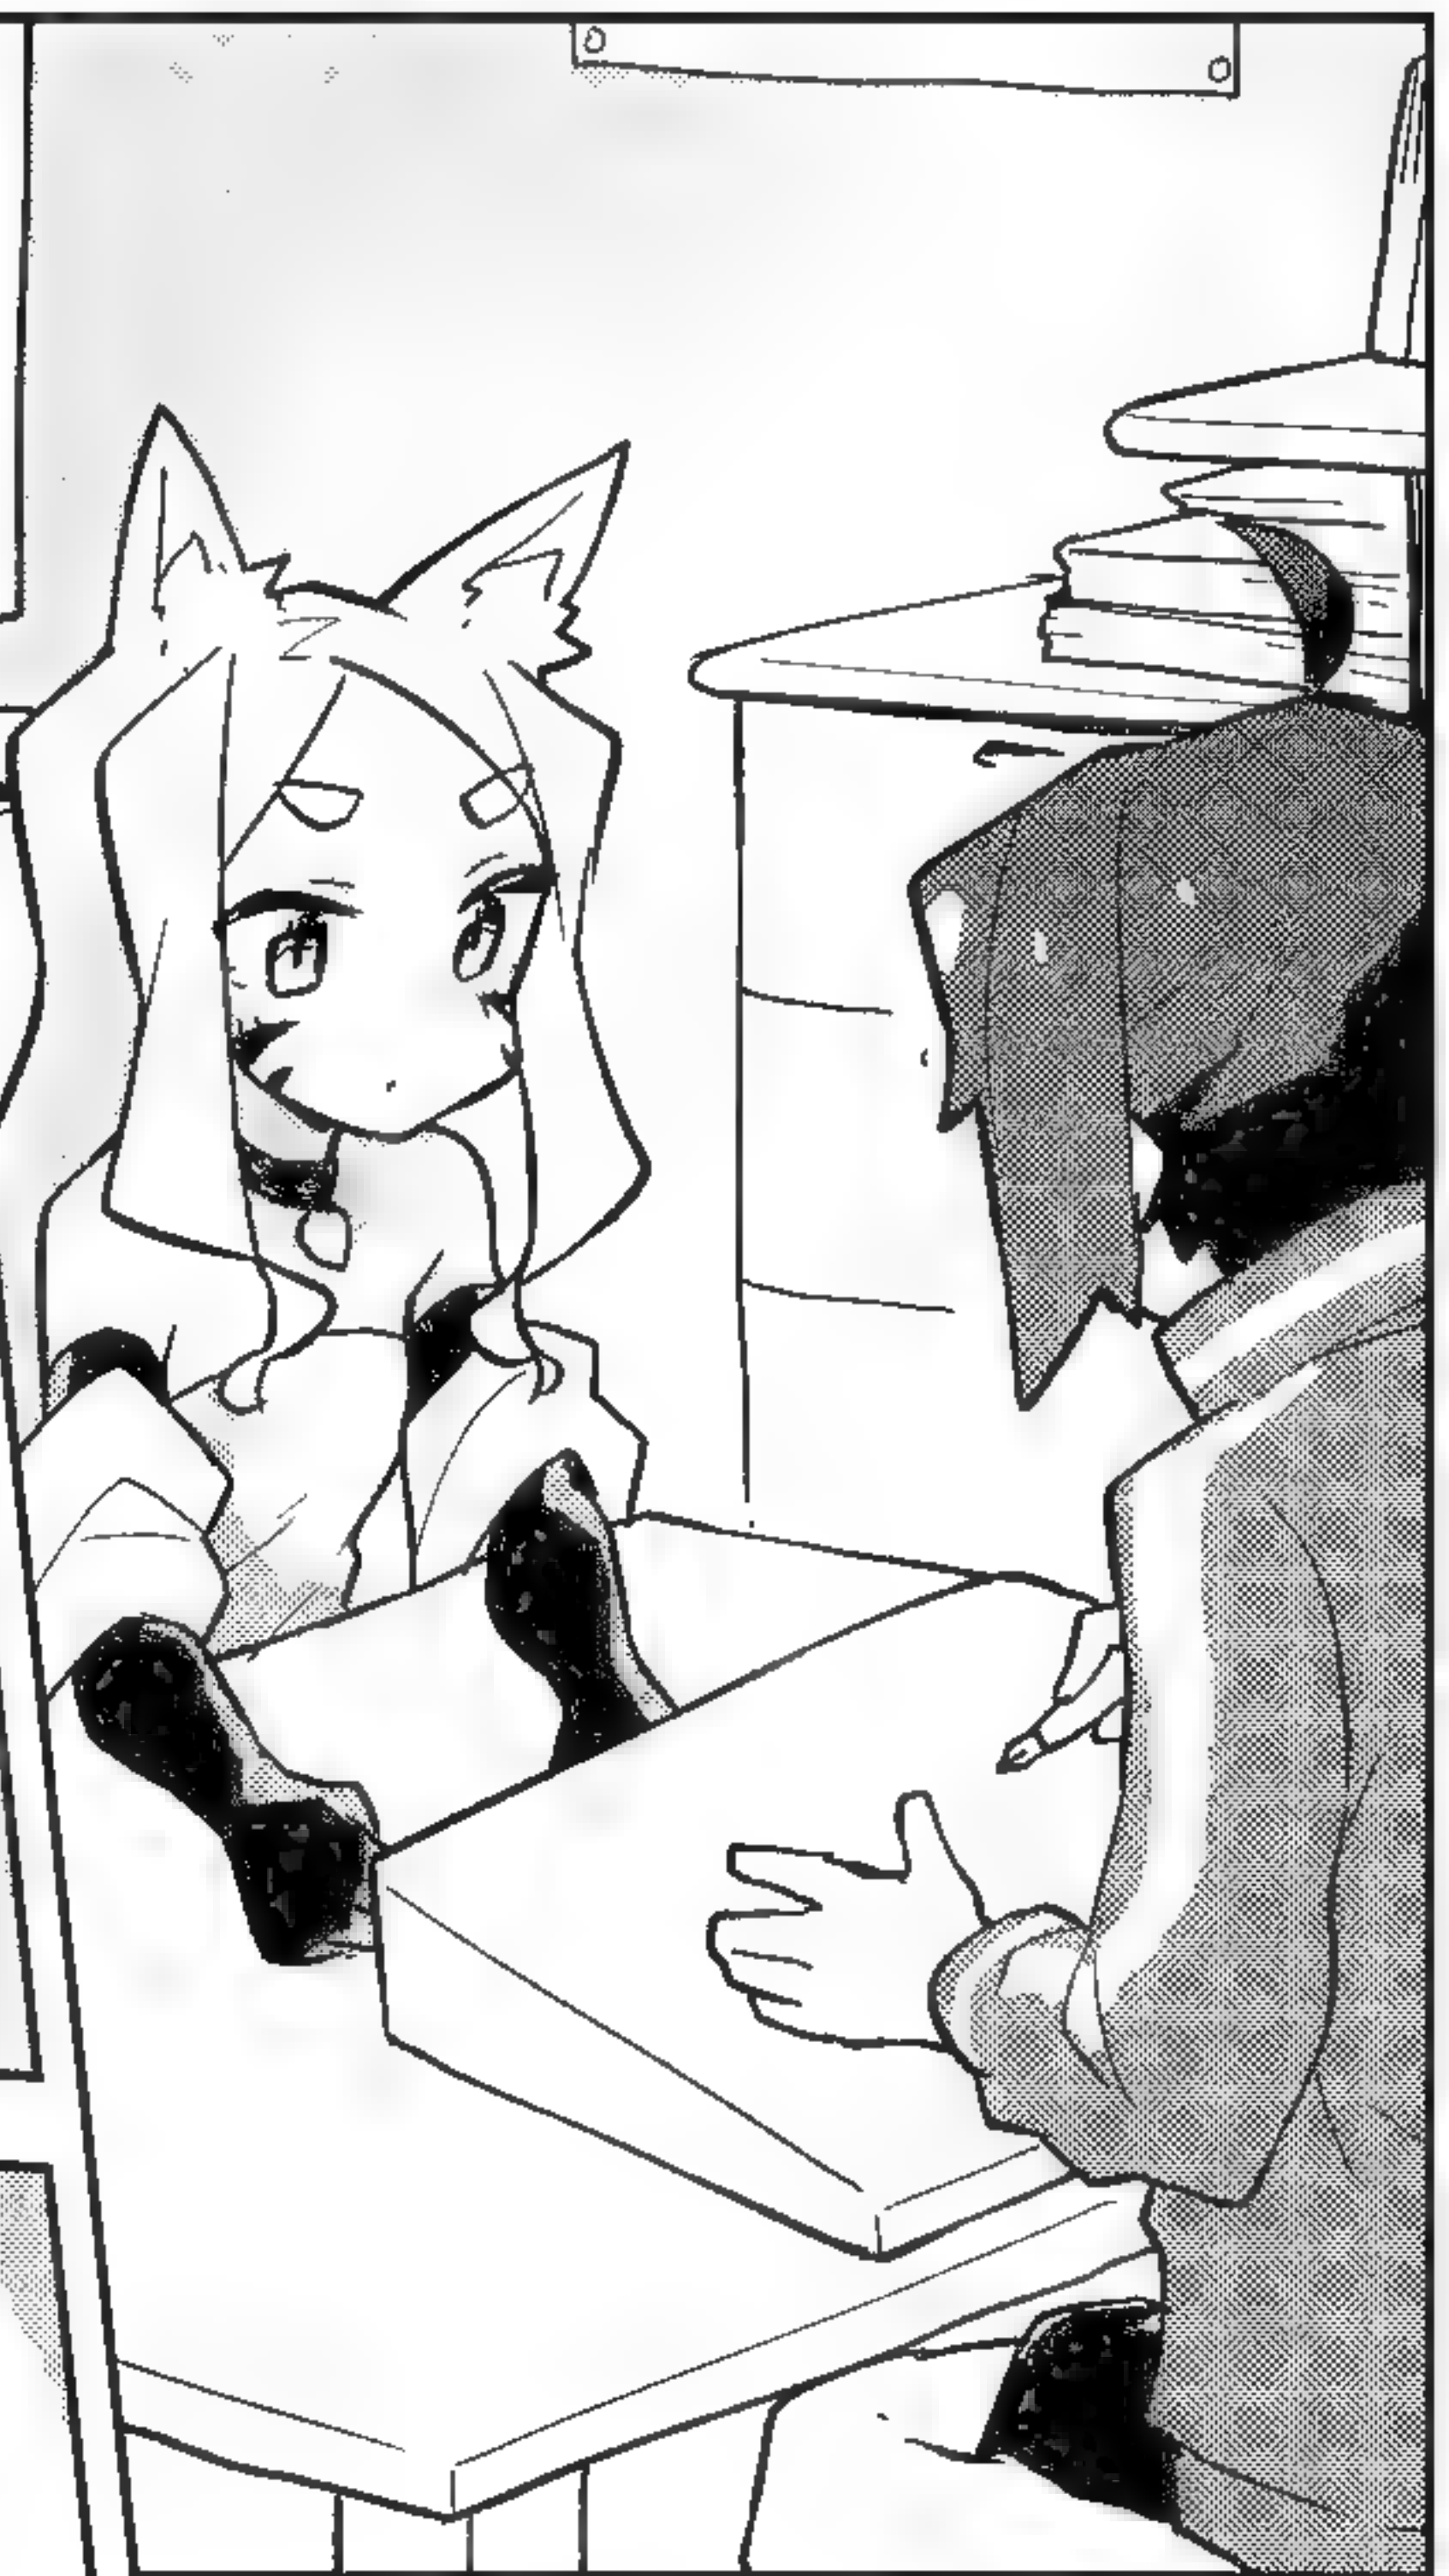

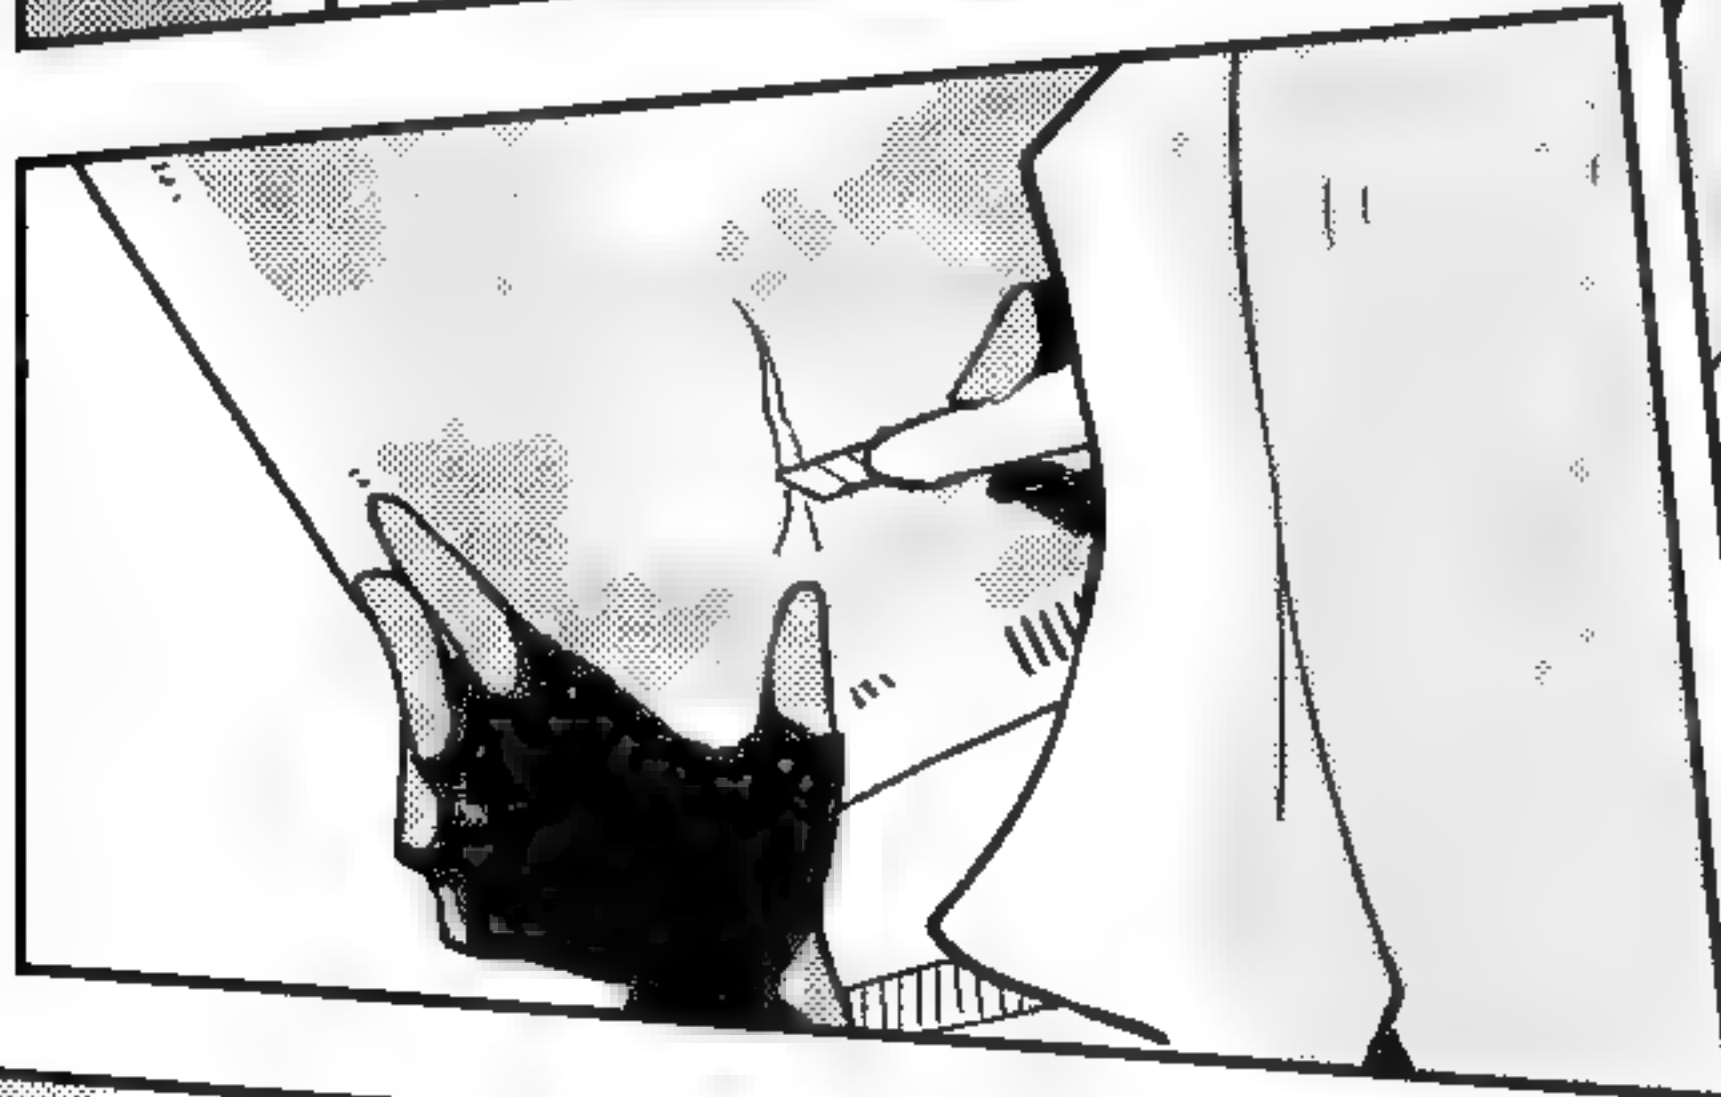

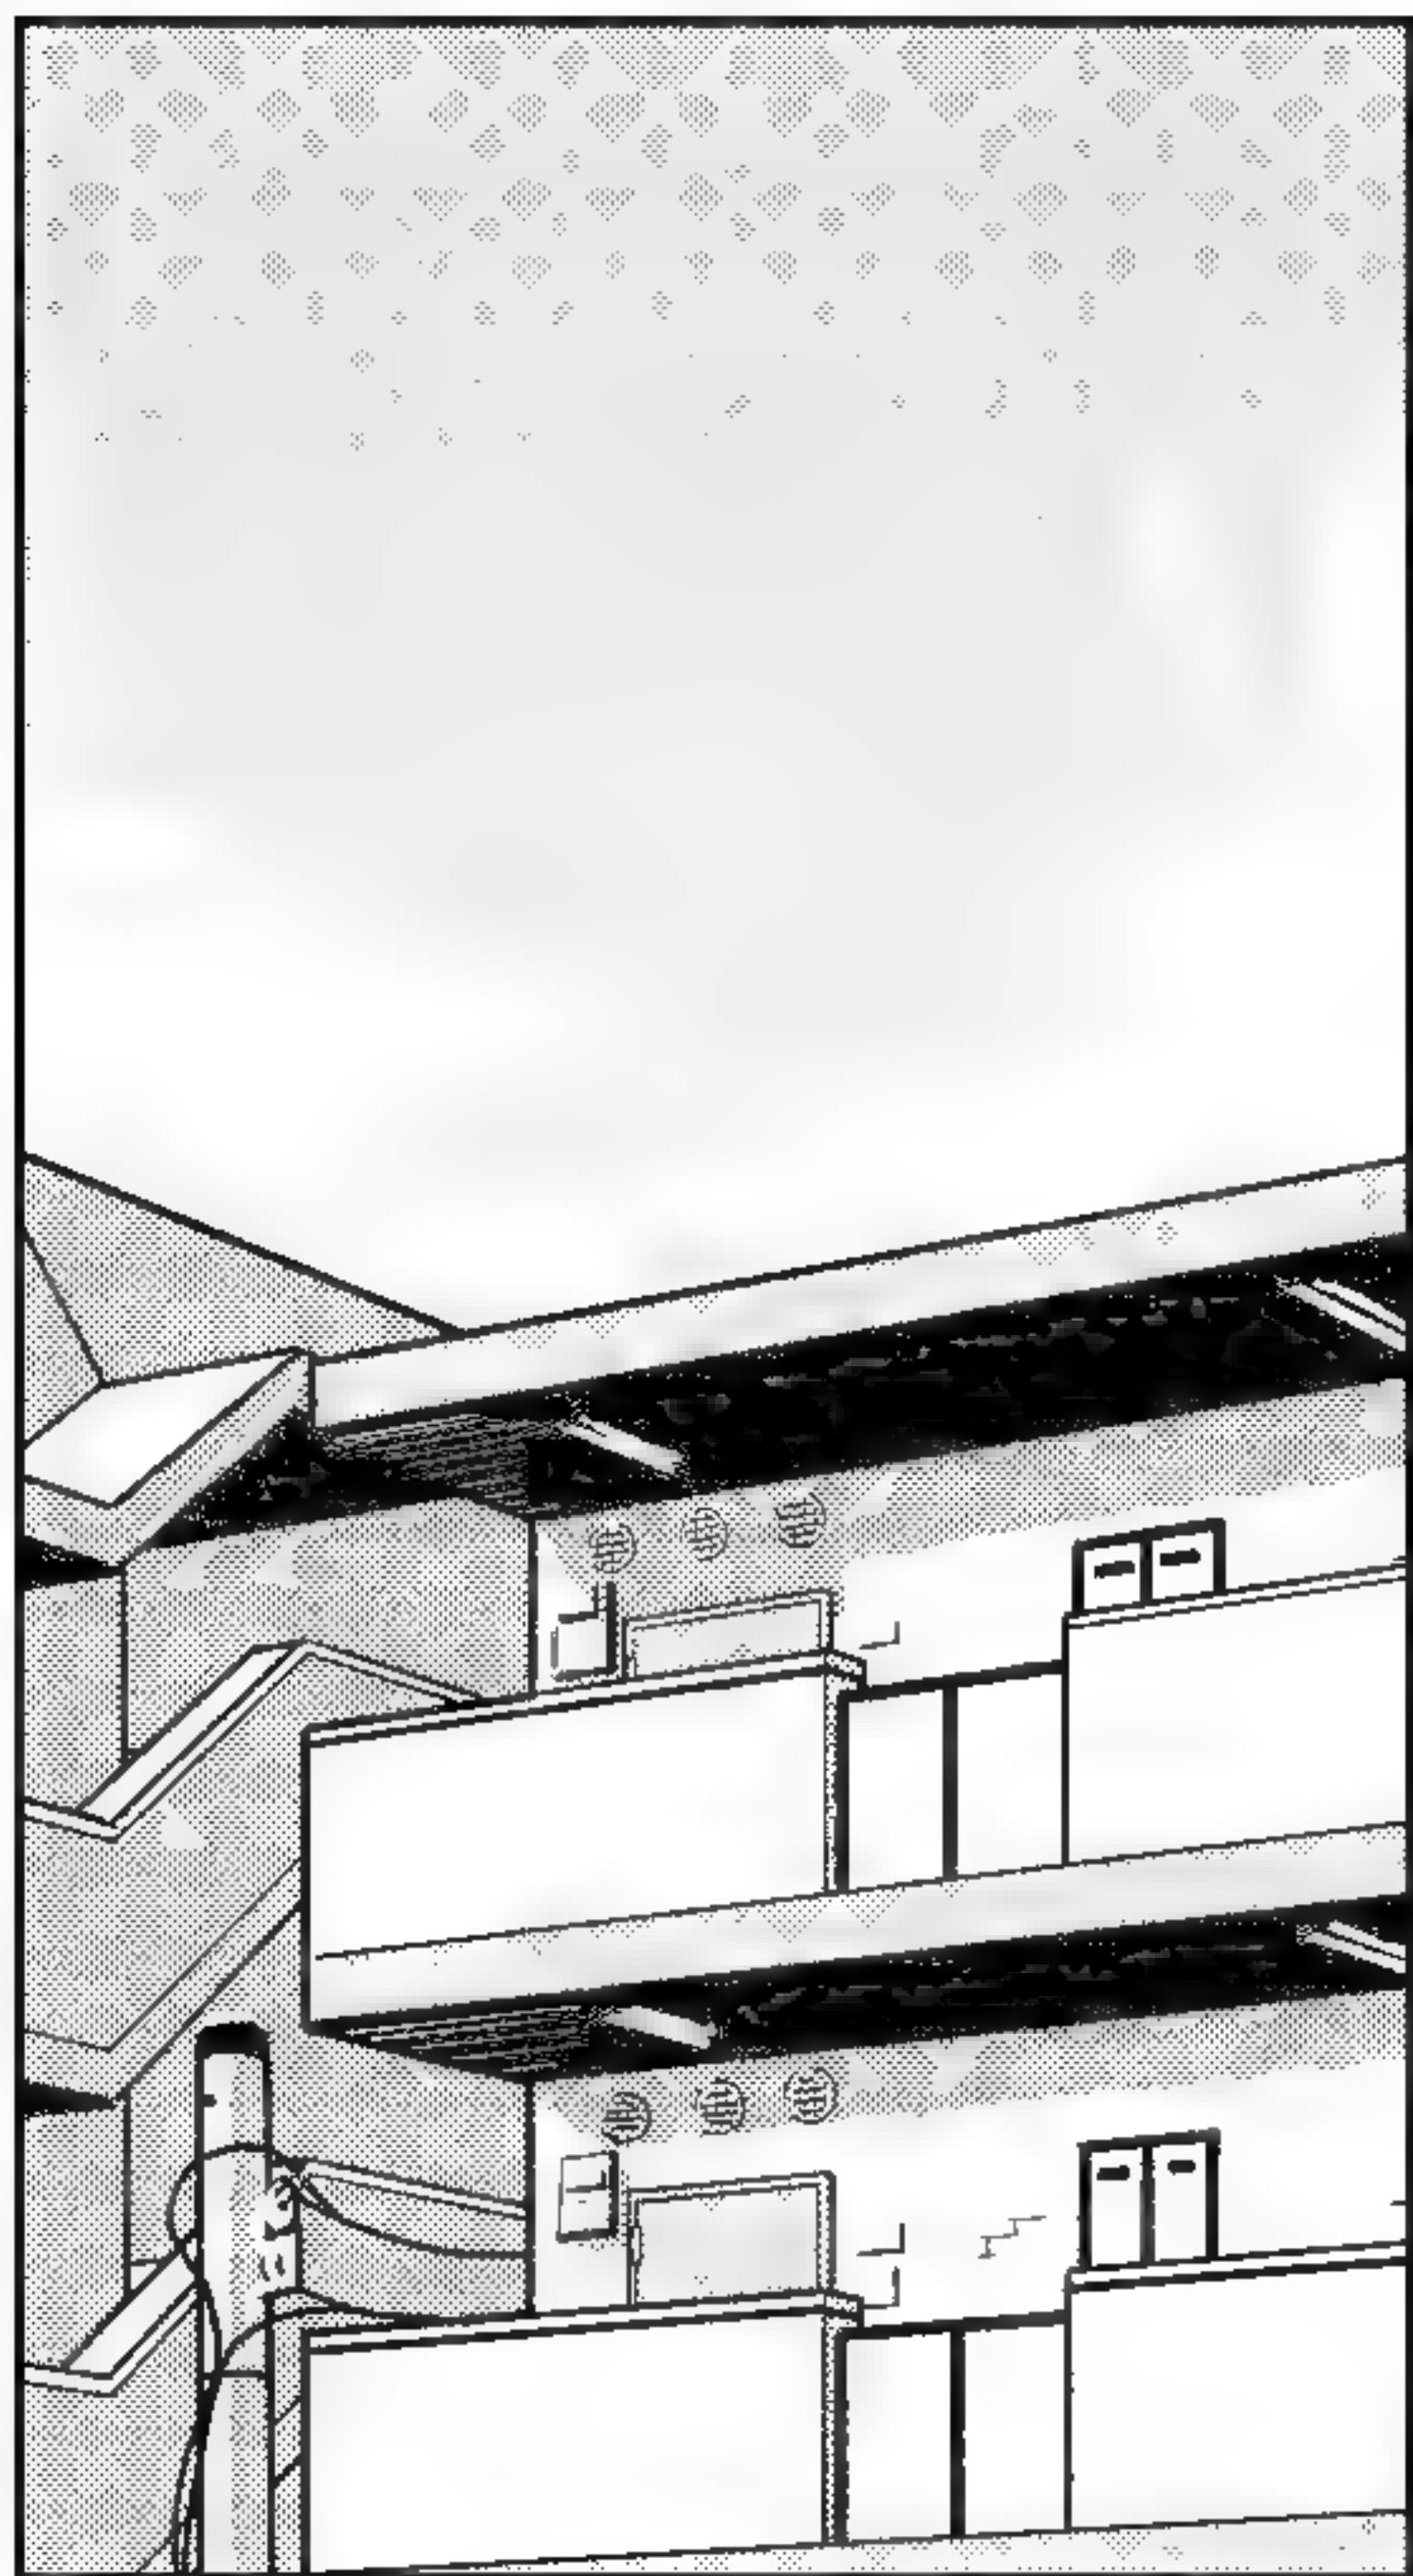

What  
do you  
mean  
!?

...I really  
don't  
want  
to say.

Ah!  
THAT'S  
CHEAT-  
ING!!

Fine,  
I'll  
TELL  
YOU!!

Well it doesn't  
matter, if you  
won't tell then  
I just have  
to read your  
mind with my  
clairvoyance.

Those  
kitsune in  
legends.  
They all  
had to  
leave when  
people  
find out  
their true  
nature.

AND I STILL  
WANT TO  
PLAY WITH  
SHIRO-  
CHAN...

...  
You-

I was fine  
with it  
as long  
as we're  
having  
fun...

And I don't  
really like  
prying into  
people's  
business.

The (No-Name) Duo Continues...!
